## Carib Glassworks Ltd Unveils its Spanking New Furnace 3 Plant

*Dr. the Honourable Keith Rowley, Prime Minister of the Republic of Trinidad and Tobago, Senator the Honourable Paula Gopee Scoon and the Honourable Fitzgerald Hinds are given a tour of the new Furnace 3 at the CGL Plant by Cyril Coomansingh, CGL's Technical Director*

On Wednesday 8th June 2016 Carib Glassworks Ltd (CGL), a subsidiary of the ANSA McAL Group of Companies, the sole glass manufacturer in the region and the largest recycler of glass in the English-speaking Caribbean, officially commissioned its new Furnace 3 plant.

Dr. the Honourable Keith Rowley, Prime Minister of the Republic of Trinidad and Tobago, delivered the feature address at the launch of Carib Glassworks Limited's new state-of-the-art Furnace. He stated, "We, as a small country can grow from a parochial location. When Carib Glassworks talks about entering foreign markets, we should feel strong and confident".

According to Mr. A. Norman Sabga, Chairman and Chief Executive of the ANSA McAL Group, said the \$200 million investment is aimed at keeping Carib Glassworks competitive in a world where large multinationals are increasingly dominating the glass manufacturing market.

"Carib Glassworks remains one of the small handful of independent glass manufacturers. This follows the closing of plants in Jamaica, the Dominican Republic, Puerto Rico and Panama. Our competition is now from very large, well-capitalized, multinationals," he said.

Group Chairman referred to Mr. Felipe Calderon, former President of Mexico who recently visited Trinidad and Tobago, who said that "Government must be the biggest ally of the private sector".

He went on to say that the ANSA McAL Group is doing everything in its power to assist in the rebuilding of the economy. Given the current economic climate, private sector businesses should be seen as collaborators with Government agencies as we all work towards prosperity."

Mr. David Hadeed, Managing Director of Carib Glassworks, in his closing remarks stated, "As the only glass manufacturing plant in the region and as the largest recycler in Trinidad and Tobago that utilizes all recycled glass that is collected, we will continue to work on minimizing our impact on the environment."

The plant is capable of producing approximately 2 million bottles every month. A plant management system was also installed so this will allow real time production data to be viewed and analyzed.

Additionally, the plant has been designed to meet the latest food safety standards.

# Caribbean Development Co. Ltd awarded ISO 9001:2008

*By Ainsley Pustam, Q.A Manager- Caribbean Development Company*

In May 2016, Caribbean Development Company Ltd achieved ISO 9001 certification.

It was the culmination of a journey which started in 2015 and in the space of just one year, the organization was able to accomplish this great feat.

This certification is a success for every single employee throughout CDC who gave it their all in preparation for and during the audit, even more so with a tight timeline of 1 year which they gave themselves.

The ISO auditors commended CDC on delivering an exceptional performance, so much so that their rating was listed as 'better than industry norms' for an organization of their size, on the first attempt of certification.

This ISO 9001 certification is an international benchmark and now puts CDC amongst other world class companies with this stamp of approval. It gives current and potential clients the confidence that CDC delivers products of consistently good quality. It will allow for easier entrance into markets and distribution channels which required a formal quality certification as a reference.

ISO Certification indicates to the world that CDC is serious about the quality of the products and services they provide and shows their commitment to continuously improving our operations.

## O.R.T.T Unveiled to the Public at NALIS

*From left to Right: Mrs. Grace Achoy, Director (Ag) - Heritage Library Division, NALIS, Mr. Anthony Sabga III- Sector Head, Beverage and Business Development Executive - ANSA McAL Group of Companies; the Hon. Maxie Cuffie, Minister of Public Administration and Communication and Mrs. Elizabeth Mahadeo, Executive Director (Ag) - NALIS*

On June 22nd 2016, the Heritage Library Division, NALIS; hosted an exhibition in commemoration of Labour Day in Trinidad and Tobago. The Order of the Republic of Trinidad and Tobago (O.R.T.T) was a significant feature at the Rotunda, NALIS, to coincide with Labour Day.

The O.R.T.T. was officially unveiled to the public by the Hon. Maxie Cuffie, Minister of Public Administration and Communication, Mr. Anthony Sabga III- Sector Head, Beverage and Business Development Executive – ANSA McAL Group of Companies, Mrs. Grace Achoy, Director (Ag) - Heritage Library Division, NALIS and Mrs. Elizabeth Mahadeo, Executive Director (Ag) – NALIS.

Speaking at the ceremony, Anthony Sabga III stated, “The time has come for all of us to band together for the benefit of our country. A partnership that brings more solutions to the table is invaluable. When union-management partnerships succeed, employees are more satisfied. Sloughing off the “us versus them” mentality and embracing the “we” mentality, means everybody wins”.

The national award was bestowed upon Labour Leader, Adrian Cola Rienzi in 2012, but was put up for sale on e-Bay in March 2016. The nation’s highest award was returned to the country by the ANSA McAL Group and was officially presented to NALIS in May 2016 at a ceremony hosted by His Excellency, Anthony Carmona, President of the Republic of Trinidad and Tobago at Presidents House, St Anns.

*The ANSA McAL Group nominated NALIS as custodians of the national award.*

# ANSA McAL ChAMPions Program Continues

On June 13th 2016, the tenth floor Boardroom of the ANSA McAL Head Office was buzzing, when 24 of our semi-finalists for the ANSA McAL ChAMPions program were invited to mix and mingle with some of our most Senior Executives of the Group.

The tentative hires for our two-year rotational program were full of enthusiasm, nerves and questions, as they schmoozed and picked the brains of the management team. Likewise, our leadership team was impressed by the calibre of dialogue that they were able to have with some of these young recruits. Comments made by our Executives on some of the proposed candidates were "A must hire – a definite fit for our team", and "this is a perfect ANSA McAL family candidate".

Following the mixer, the candidates were invited to participate in a half day assessment exercise, and the final emerging 15 were invited to one-on-one interviews with Senior Executives, before a final decision to hire.

More in the July CB...

# ANSA McAL (Barbados) Ltd

## Welcomes New Recruits

ANSA McAL (Barbados) Ltd hosted its Group Orientation at the Marriott Courtyard, Hastings, Christ Church, Barbados. Approximately 40 new recruits from Bryden Stokes Ltd., Consolidated Finance, McEneaney Quality Inc. and Trimart Supermarkets Inc. were welcomed into the ANSA McAL family.

The event received rave reviews, as it was designed to enlighten, enrich and entertain. The facilitators imparted their knowledge and shared their experiences to the new employees about the Group, whilst keeping the session fun and interactive.

## ANSA McAL (Barbados) 'Summer Internship Program'

# Receives "Thumbs Up" from its 2016 Interns

*ANSA McAL (Barbados) Interns took a ride on the 'vintage Bajan Bus' to visit various subsidiaries of the Group.*

The ANSA McAL (Barbados) 'Summer Internship Program' was launched on Tuesday 31st May, 2016 with a well-received orientation. The program, now in its second year running, will provide "real life" exposure to the world of work and help to develop valuable professional skills. The 17 lucky students were selected from the hundreds of applicants, some of whom attended the Career Fair held at the University of the West Indies, Cave Hill Campus.

The orientation began with an overview that highlighted the diversity of the company. Several groups were formed to participate in creative activities focused on reinforcing ANSA McAL's core values – Customer Excellence, Employee Centered, Respect & Trust, Creativity & Innovation and Social Responsibility.

The interns were treated to a ride on a 'vintage Bajan Bus' to tour the various companies within the ANSA McAL Group, comprising of Bryden Stokes, Consolidated Finance, Trimart, McEneaney Quality Inc., Standard, Brydens Insurance, Brydens Xpress and Brydens Retail.

The orientation also provided the interns with the opportunity to interact with two of last year's interns who now hold permanent positions in the ANSA McAL Group. Apart from the exposure to the world of work, the interns will have the opportunity to attend personal development workshops covering topics such as communication skills, emotional intelligence and teamwork.

Ms. Monique Hassell, Group Organisational Development Manager stated, "This event has become a huge part of our Talent Management strategy to focus on succession planning as it relates to attracting, hiring and retaining the best talent for the Group. We have offered placements to 17 students this year in Human Resources, Marketing, Inventory, Administration, Sales, I.T. and Health and Safety for the 12-week duration between June and August. They are put to work across the Group in roles aligned to their preferred field of study and this provides the unique opportunity to see, experience and practice the theory of what they've been studying over the last few years."

Mercedes Nicholls, 22, who will serve as the Legal/Health & Safety Assistant, described the orientation as 'exciting and informative.' She further expressed that "The ANSA McAL staff has been very welcoming and I think the internship will be beneficial to my personal and professional development."

# ANSA Coatings hosts Automotive Training

*Automotive Department members of ANSA Coatings Limited at their training session*

*The Automotive Department of ANSA Coatings Limited conducted its second training session for 2016, at their Training Centre located in Arima (Trinidad). The five (5) day training session took place from Monday 13th June, 2016 to Friday 17th June, 2016 with fourteen (14) participants. These sessions focused on Nexa Autocolor 2K Refinish Systems.*

*Under the leadership of Mr. Marcel St. Martin - Automotive Manager, Mr. Curtis Emmanuel - Training Manager, Mr. Allan Bruce and Mr. Talaat Mohammed - Sales Representative, participants were trained in a mix of theoretical and practical work on all aspects of the refinish process from surface preparation to application of 2K Topcoats, Clearcoats and Polishing.*

*It is through an established partnership with PPG Paints, one of the world's leaders in innovative refinish paint brands, that ANSA Coatings Limited is positioned and certified to offer training to automotive bodyshops and dealers within Trinidad and Tobago.*

*ANSA Coatings Limited, a subsidiary of the ANSA McAL Group of Companies, is happy to support this great training initiative.*

# AMCO - Empowering the Next Generation of Female Leaders

*From left to right: Ms. Patrina Jaggernath, Category Manager – Personal Care P&G; Mrs. Evangeline Kalloo-Ramdwar, Business Unit Head AMCO (P&G); Ms. Merissa Aguilera, W.I. Womens Cricketer & T&T Team Captain; Ms. Donella de Verteuil, P&G Market Manager and Mrs. Antoinette Jack-Martin, Acting Director in Ministry of Gender Affairs at the launch*

*On Thursday 2nd June 2016, Alstons Marketing Company Limited (AMCO) launched its Always Like A Girl TT movement, an international campaign that has already achieved the goal of empowering young girls around the globe by instilling confidence at the onset of puberty.*

*“Like A Girl TT” launch kicked off in Trinidad and Tobago with a testimonial from Ms. Merissa Aguilera, West Indies Women's Team Captain. Ms. Aguilera spoke about her experiences as an international athlete. She also stated that the campaign comes at an opportune time as women are being challenged to be successful in their chosen careers.*

*The local campaign seeks to provide a similar level of puberty education to adolescent girls in this country by offering guidance from health practitioners, in addition to resources that helps girls remain confident throughout their teenage years.*

*A significant aspect of the campaign is the nomination of two female leaders of Trinidad and Tobago via an online voting process. These candidates are notable young women who are excelling in their field and will act as motivational speakers by sharing their challenges and how they have overcome these obstacles.*

# 2016 Ford Everest, Ranger and Fusion launched

On June 23rd 2016, McEneaney Motors, one of the original subsidiaries of the ANSA McAL Group at Charles St, Port of Spain, unveiled the latest models to join the Ford portfolio.

According to Mr. Jimmy Boissiere, General Manager of McEneaney Motors, sales of Ford vehicles in Trinidad and Tobago have been increasing despite the downturn in the local economy. Mr. Boissiere spoke about the health of the brand at the launch of new models - the 2016 Ford Everest, Ranger and Fusion.

“The Ranger is the heaviest duty payload pick-up on the market. Besides the consumers on that end being satisfied, we are now looking more at diversifying the Ford portfolio, so as the consumers adjust to the reality of the economy, they have options at Ford to suit their pockets.” Mr. Boissiere stated.

Mr. Boissiere added “One of the things ANSA McAL pioneered and we are still number one in, is providing consumers with an “In One” which includes Service, Insurance and Financing for five years with the ANSA Merchant Bank Package.”

# Carib Glassworks Ltd “Go Wild” for World Environment Day

Written by Sean Austin - ANSA McAL Champion and representative

On June 2nd 2016, Carib Glassworks Ltd (CGL) was one of over fifteen exhibitors at the World Environment Day Informational Expo, led by the Environmental Policy and Planning Division (EPPD) of the Ministry of Planning and Development. The Expo was held at the University of Trinidad and Tobago, Point Lisas Campus from 9:00 a.m. to 4:30 p.m.

The event was a collaborative effort across a number of organisations, aimed at promoting sustainable initiatives towards preserving the environment in commemoration of World Environment Day.

One of ANSA McAL’s Champions, Sean Austin, represented CGL at the Expo. Enthusiastic visitors were welcomed to CGL’s booth and were given the opportunity to win prizes by participating in several interactive games; and viewed an informative video which featured CGL’s recycling and manufacturing processes. There was also a display of raw materials used to make glass packaging as well as various glass bottles manufactured by CGL. Participants

who visited the booth, left the booth and the expo knowing that glass packaging is the superior packaging choice for food and beverages. They were also given an assurance that any glass packaging that they choose to use, can be recycled responsibly right here in Trinidad and Tobago at CGL.

Apart from the various booths, participants explored the renewable energy initiatives of UTT such as the solar house, electric bus, wind turbine and the natural gas to protein plant.

The theme for 2016’s World Environment Day “Go Wild for Life” focused on the illegal trade of plants and animals. Participants, who included primary and secondary school students and members of the public, were motivated to “go wild” for the environment by bringing awareness of thought and action through environmentally friendly activities such as the methods of sorting waste for recycling, water conservation, caring for our flora and fauna, especially our unique and indigenous species.

## "Paint the Y and Family Cookout" Receives Support from ANSA Coatings

THE YMCA of Trinidad and Tobago hosted its 1st annual "Paint the Y and Family Cookout" event on June 6th, 2016 with the aim of fostering volunteerism, as well as undertaking a much-needed facelift to the organisation's compound at Benbow Road, Wrightson Road in Port-of-Spain.

Amongst the group of corporate volunteers, ANSA Coatings Ltd and Home Front Colour Studio located at 12 Eastern Main Road, San Juan were pleased to sponsor paint supplies towards this initiative. It was a fun, meaningful and highly productive day, as the paint donated by companies was able to cover about 60 percent of the compound.

According to YMCA, the project was another step in the move to reposition the services it offers, in order to better serve the community. The YMCA has been operating since 1964 and its main focus is the development of children and youth. Its mission is to develop healthy, caring, responsible individuals contributing to a society characterised by love and unity.

# Super Heroes at ABS

## Fun and Family Day

Blessed with great weather, Abel Building Solutions hosted its first ever Fun and Family Day on Sunday 26th June 2016, at the ABS Grounds in Longdenville, Chagaunas. The event was given a 'Superhero' theme with six teams: Flash, Man of Steel, Batman, Iron Man, Hulk and Thor, with each team vying for the ultimate superhero bragging rights... and not to mention the attractive championship trophy.

Approximately 420 adults and 170 children participated in various fun activities such as Tug-of-War, Football, Square Dancing and Musical Chairs, which were coordinated by Buzz Concepts. Team Hulk was the overall Superhero Champions, with team Iron Man earning the coveted football champions title, and team Thor showing its brute strength by earning the Tug-of-War Trophy.

ABS would like to extend special thanks to AMCO for the wonderful Hampers and Carib Brewery for supplying branded tents, the Stag Pedal Pub, Hampers and of course the drinks at the bar. Chuck E Cheese's mascot also made an appearance, proving to be a big hit with the children.

It was so nice, we got to do it twice!

Check out the action!

# ANSA Polymer - KARAOKE FAMILY STYLE!

On Friday 17th June 2016, ANSA Polymer hosted its Karaoke Competition at Jenny's Ranch, Arima. The event was well attended and heartily enjoyed as employees channeled their energy through song, music and dance. The crowd was entertained with renditions of Bob Marley, Buju Banton, Whitney Houston, and even the Mighty Sparrow.

Both spectators and participants won prizes for the 'Oldest Song', 'Best Duet', 'Most Humorous', 'Largest Crew' and many others. The overall winner of the event, Sean Phillip-Maintenance, Senior Electrical Technician delivered a flawless rendition of Buju Banton's 'Driver', taking home a trophy and cash prize. Aaron Joseph - Printing, Senior Graphic Artist won the prize for 'oldest song', with his version of Nat Cole's 'Unforgettable', whilst the 'Best Duet' went to Lily Phillips-Joseph - Logistics, Purchasing Assistant and Giselle Ali - Finance, Accounting Assistant who sang one of Adele's latest songs, "Send My Love". The 'Most Humorous', prize went to Genille Parks-Thomas - Finance, Administrative Assistant who entranced the crowd with the Mighty Sparrow's "Congo Man", accompanied by tribal noises and expressions. The presentation had the audience bursting with laughter. The prize for 'Most Songs', went to Sean Rambarran - Extrusion, Machine Operator 1 who sang a number of traditional karaoke songs and 'Most Promising' went to Giselle Ali - Finance, Accounting Assistant with her performance of Whitney Houston's "I Have Nothing".

Amongst ANSA Polymer talented voices, we discovered, Mrs. Rebekah DuBarry-Rackal - Operations Manager latest skill, Operations Manager who sang Bob Marley's "No Woman No Cry". Arnold Simmons - Conversion, Shift Leader won himself a hamper for singing Luther Vandross' 'Dance with My Father' in commemoration of Father's Day. The catering was done by ANSA Polymer's Events Committee themselves on site! These amazing chefs proved that they could indeed 'turn a pot'! Everyone enjoyed the mouth-watering curried chicken, goat, pumpkin, potato and channa, with buss-up shot that melted in their mouths, and some were seen running back for more! Due to the success of this event, employees are now patiently awaiting a chance to unleash their chef skills at ANSA Polymer's next event, the River Lime and Curry Duck Competition.

ANSA Polymer, if you ready for a "Throw down" Check us!

# Carib Light

## CURRY DUCK COMPETITION

Carib Light hosted its first nationwide Curry Duck Cook-off in search of the best Curry Duck in Trinidad and Tobago. Preliminaries were held all over Trinidad from Limer's Bar on Beujical Road all the way down to Robin's Bar in Siparia and Circle Square in San Pedro. There was an abundance of food, beer, entertainment, prizes and duck!

The finals were held on June 26th 2016, at Pierre Roads Recreational Grounds, Felicity, where the competition was definitely heated. Our celebrity panel of judges such as Joel Villafana and George Gonsalves voted Limer's Bar to be the overall winner.

Hmmm... maybe we need to have an ANSA McAL Curry Duck cook Off?

*Who's in?*

# Time Well Spent

Managing Director of Trinidad Match Ltd, Mr Robert Mohammed and Commercial Director of Carib Breweries, Mr Miguel Marquez, took part in a School Reunion on Saturday 11th June, 2016 at QRC Grounds. Over 40 past students from Queen's Royal College 'Class of 1990' spent the afternoon together as a memorial for their former classmate Jerry Leacock who was killed in a home invasion in Wallerfield earlier this year. Jerry was the 23rd person to commit to attending the function which took place on the 11th June 2016. Funds were raised to support Jerry Leacock's family.

# Congratulations!
